Organiser's Comments

As with last year the entry of riders was extremely varied - from first timers to regular competitors to those returning to racing for the first time in nearly 30 years. Whilst the weather was relatively calm and sunny, albeit cool, the conditions were not conducive to quick times.

The women's event was the first counter in the 2014 Midlands Women's TT Series and this plays a big part in the great turnout our event gets. The series now has a dedicated website - see mwttts.org.uk for full details of series standings.

I must thank the other 22 helpers who turned out on race day and are the main reason for the success of the event. This year I will single out for special mention Joan Allen and Marg Harden who skillfully juggled the tasks of receiving finish times whilst persuading everyone to park neatly on the school playgrounds to ensure enough space for all competitors.

Uncollected mens and womens prizes will be posted.
