Organiser's Comments

The DNS list says it all with 8 non starts in the last 11 riders - a huge hailstorm swept over the course in the final few minutes of the men's event. Despite an initial delay to the start of the women's event, the course was still not in a suitable condition and the event had to be cancelled, the Diana Cooke Memorial trophy being awarded in our August Open 10.

I suspect this is the closest result in the history of this event with just one second covering the top three. Well done to former winner Jon Simpkins for repeating the feat and also winning the vets' category by a more comfortable margin.

My thanks to the many helpers from Coventry CC for all their hard work on a very difficult day, particularly those who got very wet and very cold.

Prizes that were not presented on the day have been posted.
