Organiser's Comments

I think this must be the largest field we have ever had in the 31 editions of the Diana Cooke Memorial since 1984, helped in no small part by the ever expanding Midland Womens TT series and the mens National 10 Championships being run on the same course later this season.

Well done to event newcomers Rachael Elliott and Matt Sinclair who turned their scratch position seedings into victories and I hope you both return next year to defend your titles.

My thanks to all the helpers from Coventry CC for all their hard work that makes an event into a success. On such a cold day I must give particular mention to all those who were out at various locations on the course for around four hours.

Uncollected mens and womens prizes have been posted.
